The Alliance will provide the Embassy "Work in Progress "and "Account Activity Reports" no less than once per month. The Alliance will maintain and provide to the Embassy monthly time reporting records detailing work accomplished and charged to the Embassy.

The Alliance will retain the US\$250,000.00 engagement deposit originally provided to the Alliance by the Abu Dhabi Executive Affairs Authority in December of 2006. To ensure the good standing of the Embassy, the deposit will guarantee sufficient cash position to meet obligations made on behalf of the Embassy for professional fees, expenses and third-party payments. This deposit will be returned to the Embassy upon termination of this agreement and only after the reconciliation and settlement of all outstanding Embassy obligations to the Alliance.

Either party may amend or terminate this agreement with three-month advance written notice to the other party. During the three-month notice period, the Embassy will still be obligated to the Alliance for all professional fees, expenses and third-party expenses necessary for the orderly wind-down of the program as well as to any fees or expenses agreed to by the Alliance on the Embassy's behalf for vendors, consultants, subcontractors and other third parties.

The Alliance reserves the right, at its sole discretion, not to commence or continue any services under this engagement agreement if the Embassy fails to remit any payment due hereunder within the time frame specified herein. It is clearly understood and agreed that should the Alliance exercise its right hereunder, the Alliance will not be liable for any costs whatsoever (including without limitation, any cancellation fees or penalties) arising out of or resulting from the Alliance's exercising such right.

Expenses

Expenses will be invoiced monthly as incurred. Expenses shall be listed on a category basis with supporting documentation. Expenses will include but not be limited to travel, third-party fees or obligations, events, advertising, video production and distribution, website development and maintenance, design and printing, and legal fees.

All expenses of more than US\$5,000.00 must be approved in advance by the Embassy. When advance payments to third parties are required, the Embassy agrees to pay the Alliance as soon as practically possible upon presentation to the Embassy of any such third-party invoice. For all third-party invoices being reimbursed by the Embassy, the Alliance will provide pre-approved agreements and quotes between the Alliance and its third-party vendor or program partner as supportive material for such expenses.

Compliance

The Alliance will comply with all disclosure and filing requirements under US law including the Foreign Agents Registration Act (FARA). The Alliance will include a monthly fee of US\$3000.00 to partly offset the FARA compliance and filing costs.

Please indicate your confirmation and acceptance of the above by signing in the space provided below and returning one original signed copy of this letter.
